In the case of equally best records achieved by two or more teams on the same court, a tie-breaking play-off will be played AT 1:15 PM to determine the single team that will advance. If two teams are tied with the same record, but have played one another in head to head competition, the winner will advance without having to play this team in a play-off game.

14 Team Volleyball Playoffs - Single Elimination

The top team from each court will advance to the playoffs
