ABOUT SPORTSFEST

Recommendations to Organize Your Team

SportsFest Overview:

SportsFest is a one-day, corporate, team building event that takes place on Treasure Island, FL in late April each year. Please refer to the website for accurate dates and times. Registered corporate teams compete in five tournaments including beach volleyball, dodgeball, tug-of-war, a paddleboard relay and corn toss. In addition to individual events there is also a mainstage with DJs, food and beverage vendors and a fun beach-party atmosphere!

What is included with a company registration:

Entry to compete in all five SportsFest tournaments (beach volleyball, dodgeball, tug-of-war, a paddleboard relay and corn toss), an unlimited number of players, arena entry wristbands for all players, reserved 20' x 15' team area courtside to your assigned volleyball court and an 8' banquet table w/garbage bags (optional tent rentals available in registration portal). Team's are encouraged to wear their own custom designed company team t-shirts the day of the event!

Team Organization and Player Amounts:

SportsFest is for everyone! No athletic skill is necessary, just team spirit and company pride! In order to participate in all SportsFest events we suggest a minimum of 12 players of almost equal number of guys and gals. While SportsFest is a co-worker, team building event, you may also invite employee's family and friends, 18 years or older, to join your team. The average SportsFest sized team is 20 players. To allow everyone to participate in at least one event, we don't recommend teams greater than 30 players. For organizations with more than 30 players, we encourage them to register a 2nd team under the same company name (a single company can have multiple teams). Many participating companies have multiple teams each year!

Many of your games will not overlap allowing the same players to participate in multiple events, but some do overlap. For example, your dodgeball, tug-of-war and paddleboard relay sessions will never overlap. However, your volleyball and corn toss matches could conflict with any event. (You'll know of any conflicts two weeks prior to the event when all game schedules are published). We HIGHLY RECOMMEND assigning an enthusiastic squad leader for each event. This leader is responsible for knowing game locations, times and their players. Refer to the Captain's Squad Roster PDF to help visualize how your team can be organized. All SportsFest schedules are posted online about two weeks prior to the event. We also recommend forming a SportsFest committee consisting of a team organizer/captain, co-captain, squad leaders and any other volunteers to help with recruitment and day-of organizing. This will make SportsFest much more enjoyable and manageable for the team captain/organizer as well as your team members!

EVENT DETAILS

About the Games

BEACH VOLLEYBALL : Being our most popular event, each company team is guaranteed three matches. Matches are scheduled approximately an hour apart and are played on the court in front of your team area. In addition to substitutes, an entirely different squad of players could potentially be used for each match. This gives you the ability to utilize anywhere from six to eighteen players. Three guys and a minimum three gals are needed for each match (gals can always replace guys, but not vice-versa). Please refer to the Captain's Squad Roster PDF, the Rules and Regs document and the GameDay page on the website for even for Volleyball details. Team organizers and squad leaders should get familiar with these packets and make sure to share the Rules & Regs with all squad members. *Please note: Volleyball matches may conflict with other events scheduled. Please refer to all event schedules posted on the GameDay page two weeks prior to the event.

TUG - OF - WAR: This single elimination tournament requires five squad members consisting of three guys and two gals (substitutes are allowed). Like in all SportFest events, gals can replace guys, but not vice-versa. Each tug match is a high-energy 45 seconds. During your 1-hour session, each team competes until they lose. The top 4 teams in each session advance to the champion round in the afternoon. It's helpful to note that your Tug-of-War session will not overlap with your paddle board relay session or your dodgeball session. It could overlap with Volleyball and/or corn toss. Keep this in mind when creating your squads (ie. players on your Tug-of-War, Dodgeball and paddleboard relay squads could all be the same players. Please refer to the Captain's Squad Roster PDF, the Rules and Regs document and the GameDay page on the website for even for more Tug-of-War details.

DODGEBALL: This event runs very similar to Tug-of-War. This single elimination tournament requires six squad members consisting of 3 guys and 3 gals. Match times are 5 minutes with teams competing until they lose. The top four teams in each session advance to the champion round in the afternoon. It's helpful to note that your dodgeball session will not overlap with your paddle board relay session or your Tug-of-War session. It could overlap with Volleyball and/or corn toss. Keep this in mind when creating your squads. And don't worry, the ball is a fast moving, yet soft hitting foam filled ball that won't leave a mark... well maybe a little one. Please refer to the Captain's Squad Roster PDF, the Rules and Regs document and the GameDay page on the website for even for more Dodgeball details.

PADDLEBOARD RELAY: This wet and wild tournament is a timed relay race which requires seven squad members, consisting of 4 guys and 3 gals. At the whistle four guys will carry one gal in an innertube 40 yards to the surf, around a cone and back to their starting position. After swapping gals, the guys repeat. When returning the second time, a chosen guy and third female take a paddleboard and paddles to the surf to paddle out and around a buoy anchored 30 yards offshore. The race concludes when teams make it back to their starting point. There are eight teams per heat with the fastest team advancing to the championship rounds in the afternoon. Please refer to the Captain's Squad Roster PDF, the Rules and Regs document and the GameDay page on the website for even for more paddleboard relay details.

CORNTOSS: Every registered team will come with two corntoss squads consisting of two players each (any gender). Corntoss is a great event for everyone; if you have team members who want to contribute but don't feel like running or jumping this might be an even perfect fit for them. The tournament is single elimination and for companies with multiple teams, each will be scheduled in a different session. Please refer to the Captain's Squad Roster PDF, the Rules and Regs document and the GameDay page on the website for even for more corntoss details.

HOW TO REGISTER & ORGANIZE A COMPANY TEAM

Step 1: Review all SportsFest Details

- See the location, dates and costs for SportsFest by utilizing the Cost & Info section of this packet. This information is also listed at SportsFest.com.
- Present to your company for budgeting and to gauge player interest (an average team consists of 20 players, but can be as low as 12 players).

Step 2: Register Your Company Team Online

- Select the link *Register Your Company* on the homepage
- Login or create an account and complete the online registration steps (a \$300 deposit is the only initial financial requirement to reserve your company's spot).
- When asked if registering yourself or someone else, please select yourself.
- Once registered, check to make sure you received the detailed confirmation email and begin recruiting team members and organizing your team!
- Add the tent rental option at this step or login anytime afterwards to add the option.
- Final payments are due one month before the event.

Step 3: Recruit Your Team Members

- Send potential players to SportsFest.com to join your team by filling out the *Team Member Form*. By filling out this form, players will sign the waiver and add themselves to your team's online roster which you can access in the Team Roster Dashboard on the website. You will need your team's 3 digit code to access your roster. This code will be provided via email once your first player fills out this form.
- The morning of the event you will receive an envelope of player wristbands that equals the number of waived players in your online dashboard.
- We are now offering unlimited number of players for each team! To ensure all team members are able to participate in at least one event, we recommend limiting active players to 30 per team. The recommended minimum is 12 players and the average team is approximately 20 players.

Step 4: Organize Your Team

- By using the Captain's Squad Roster, you will notice roster spots to fill in; these include squad leaders, male and female players, and substitutes.
- This form doesn't need to be submitted. It is for your planning purposes only!
- If your company has multiple teams, please use multiple Captain Squad Rosters.

Need help? And as always, please feel free to contact registration at (813) 244- 4682 with any additional questions or concerns.

THANKS AGAIN AND HAPPY PLANNING!
